Credit Hours								
Notes	<ol style="list-style-type: none"> 1. The numerical figures in parentheses refer to course credit hours. 2. The total number of credit hours for required courses amounts to 111; the minimum number of earned credit hours required for graduation is 130. 3. A maximum of 10 credit hours earned from electives offered by other departments and a maximum of four credit hours earned from General Education Courses shall be recognized; the remaining credit hours for electives must be from courses offered by this Department. 4. Students are required to take two of the following four courses on management: Managerial Accounting (IM2029), Marketing Management (IM3059), Financial Management (IM2030), Production and Operation Management (IM3026). 5. The calculation of semester hours shall not include credit hours earned from General Education courses or History. 6. First-year students may take Freshman English or other English courses offered by the English department to fulfill the University's foreign language course requirement, but may not waive Freshman English providing instruction in other foreign languages. 7. Before being permitted to graduate, students must demonstrate their English proficiency by reaching a threshold score in one of the English proficiency tests recognized by the Language Center or by passing two semesters of Remedial English; credit hours thus earned may not be counted toward the minimum number required for a baccalaureate degree (for details, refer to the University's <i>Implementation Procedures for Freshman Foreign Language Courses</i> and <i>Implementation Procedures for Remedial English Courses</i>). 8. Students must take (but are not required to pass) Introduction to Programming (IM1013). 9. Students are required to receive a passing grade in Service Education in accordance with the University's <i>Service Education Implementation Procedures</i> before being permitted to graduate.
