- Article 1 These guidelines are provided in accordance with the *National Central University Credit Waiver Guidelines*.
- Article 2 Students who have taken relevant master's or doctoral courses offered by a graduate program at National Central University or another university within ten years of their admission into the Graduate Institute of Statistics and have received a grade of at least 75 may apply for a course credit waiver; in such case, applications are restricted to courses which have not previously been counted toward the student's minimum graduation requirements for a degree.
- Article 3 If the waiver is for courses taken from the Department, the full credit hours shall be granted upon confirmation of documents attesting to that fact; but if the waiver is for courses taken from other graduate programs at other universities or at National Central University, the application for course credit waivers must be reviewed and approved by the Institute before being put into effect.
- Article 4 Master's students may waive up to 15 course credit hours; doctoral students may waive up to 12 course credit hours.
- Article 5 Grades earned from waived courses may not be included in the calculation of a student's semester grade point average.
- Article 6 Matters not covered in these guidelines shall be conducted in accordance with the relevant rules and regulations of the Ministry of Education and of the University.
- Article 7 The aforementioned guidelines shall be implemented and entered into force upon approval by a meeting of the Institutional Affairs Committee and appraisal and ratification by a meeting of the Academic Affairs Committee. The same procedure applies to any amendment of these guidelines.
