

Courses for Students Pursuing a Minor in Business Administration in the School of Management

Course Titles	Course Credit Hours	Notes	
Economics BA1005, BA1006	6	<p>Required</p> <p>1. Students who wish to pursue a minor in Business Administration must file their applications within the spring semester deadline as specified in the academic calendar for the current year.</p> <p>2. Students applying for a minor in Business Administration are required to have earned a GPA that ranks them in the top 20% of their class for every semester in which they have been enrolled in the University.</p> <p>3. Students applying for a minor in Business Administration must take the required courses at this Department in the sequence specified by the Department; however, if the department in which the student is majoring is offering courses that are identical to those required by this Department, the student may elect to take such courses in the department in which they are majoring. Applications for course credit waivers for required courses sharing the same titles and course credit hours with those offered by the Department which the students have taken at other departments must be approved by the Department before being put into effect; the maximum number of courses that can be waived is three.</p> <p>4. Students are required to take at least 11 credit hours of elective courses.</p> <p>5. Students who have been granted course credit waivers are required to take a minimum of 20 credit hours of courses from this list in addition to the course credit hours that have been waived; course credit hours thus earned cannot be counted toward the student's minimum baccalaureate graduation requirements for the department in which they are majoring.</p>
