

## Courses for Students Pursuing a Minor in Economics in the School of Management

Course Titles	Course Credit Hours	Notes	
Economics	6	Required	Students must fulfill both of these course requirements before the end of their first year as a minor in the Department of Economics, but need not take these courses in this department.
Calculus	6	Required	
Statistics EC2001, EC2002	6	Required	1. Students are required to take at least 14 credit hours of elective courses. 2. Students who have been granted course credit waivers are required to take a minimum of 20 credit hours of courses from this list in addition to the course credit hours that have been waived; course credit hours thus earned cannot be counted toward the student's minimum baccalaureate graduation requirements for the department in which they are majoring.
