Course Credit Waiver Guidelines for Graduate Students in the Department of Computer Science and Information Engineering at National Central University

Article 1   These guidelines are provided in accordance with the *National Central University Credit Waiver Guidelines*.

Article 2   Students who wish to apply for a course credit waiver should do so within the stipulated deadline of their first semester at the University; no students may apply more than once.

Article 3   Students who have taken graduate courses prior to their admission into the graduate program of the Department and have received a grade of 70 points or more may apply for a course credit waiver.

Article 4   Applications for course credit waivers must be reviewed and approved by the Institute before being put into effect.

Article 5   The maximum number of course credit hours that can be waived is 15; grades earned from waived courses may not be included in the calculation of a student's semester or graduation grade point averages.

Article 6   The aforementioned guidelines shall be implemented and entered into force upon approval by a meeting of the Departmental Affairs Committee and appraisal and ratification by a meeting of the Academic Affairs Committee. The same procedure applies to any amendment of these guidelines.
