

National Central University

Industrial Technology R&D Master Program For Foreign Students

Application Admissions
~Fall 2008~

Address : No.300, Jhongda Rd., Jhongli City,
Taoyuan County 32001, Taiwan (R.O.C.)

Tel : 886-3-4227151 Ext. 35317

Fax : 886-3-4273485

Website : <http://www.ncu.edu.tw>

I. Goals and Objectives

In order to promote scientific and technological competitiveness, this program supports the innovation and development of technological industries in Taiwan. Approved by the Ministry of Education, Industrial Development Bureau Ministry of Economic Affairs, this program led by both NCU and cooperating industrial partners, will train international students in these fields and encourage the cooperative partners to offer job opportunities to outstanding students.

II. Qualifications

Applicants must meet all of the following criteria:

1. Eligible international students are those who do not have overseas Chinese status or have not possessed R.O.C nationality for 8 years or more. (This regulation does not apply to students who are citizens of: Hong Kong, Macau or the People's Republic of China.)
2. Applicants must hold a bachelor's degree or equivalent by Sept. 2008 from a foreign university or independent institute.
3. Applicants must have an adequate level of Chinese and English language competency.

III. Additional Regulations:

1. Before applying, applicants should consult the websites for regulations, degree requirements, and other general program information. Admitted applicants must comply with these regulations prior to registration.
2. Students are responsible to pay additional tuition and accommodation fees (including health insurance fee) if they have not graduated within 2 years.
3. If the student confronts or voluntarily leaves school, the enterprise may request the student to take compensation responsibility the enterprise loss.
4. Each academic year begins on August 1 and ends on July 31 of the following year.
5. Violation of the admission rules, including falsification and forgery of documents (ex. diploma, working experience, certification of seniority), will result in revocation of admission, loss of status as a registered student at National Central University, and potential legal consequences. If discovered after graduation, the diploma will be revoked and the degree annulled through official announcements.
6. After entering the program, students may not apply for transfer to general graduate or other R&D Master's programs.
7. Applicants who fail to meet the admission requirements will be denied.
8. Students must sign a treaty before registration if the support company is confirmable, if not, students must sign a treaty with school first, and sign with Support Company after the company is confirmable.
9. The cooperating company will hire more than seven tenth students in this class. For those students who do not obtain employment from the company, their obligation to the company will be removed.
10. Student's obligation: Students have to work for the collaborated company (website: <http://www.wistron.com>) for at least 4 years after their graduation.

Declaration

1. I, the undersigned applicant, guarantee that I am not an overseas Chinese student, nor do I meet R.O.C. nationality requirements, as defined in Article 2 of Law of Nationality, nor have I been an R.O.C. national in the last eight years.

*A person who meets any of the following conditions passes the ROC nationality requirements.

- (1) A person whose father or mother is, at the time of his/her birth, a citizen of the Republic of China. For those born on or before Feb. 9, 1980, please refer to The Nationality Act as promulgated by the National government on February 9, 1929 (See next page).
- (2) A person born after the death of his/her father or mother who was, at the time of his/her death, a citizen of the Republic of China.
- (3) A person born in the territory of the Republic of China and whose parents are both unknown or stateless.
- (4) A naturalized person.

The provisions specified in sub-paragraphs (1) and (2) of the preceding Paragraph shall apply to minor children on the date of the promulgation of the amendment of this Law.

2. I have not attended any other university in Taiwan in accordance with "Application Regulations for Overseas Chinese Students to Study in Taiwan."

3. All the documents provided (including diploma, passport, and other relevant documents, original or copy) are valid. Should any documents be discoursed to be invalid or false, my admission to NCU will be revoked, and no proof of attendance will be issued.

4. The diploma granted by the education institute I last attended is valid and has been awarded legally in the country where I graduated (high school diploma for undergraduate applicants; bachelor's diploma for master program applicants; master's diploma for doctoral program applicants). The certificate is comparable to that which is awarded by certified schools in Taiwan. If any cheating, violation, or forged documents is discovered, my admission offer and student status will be revoked, and no transcript or diploma will be issued.

5. I have never obtained a previous degree as a foreign student in the ROC in accordance with MOE Regulations Regarding International Students Undertaking Studies in Taiwan (except those taking courses in Master or PhD courses). Should I breach any of the regulations, I will be denied admission and student status.

6. I have never been expelled from any university or college in the ROC. Should I breach any of the regulations, I will be denied admission and student status.

I authorize NCU to check on all of the above information for further verification. Should any information be found false after being admitted to NCU, I have no objection to be deprived of registered student status.

Applicant's signature _____

Date (mm/dd/yy) _____

The Nationality Act as promulgated by the National government on February 9, 1929.

Article 1 The individuals listed are of Republic of China (R.O.C.) nationality:

1. Parents are of R.O.C. nationality at the time of birth of the individual.
2. Father is of R.O.C. nationality at the time of death upon birth of the individual.
3. The father cannot be traced or has no nationality, and the mother is a R.O.C. national.
4. Born in the territories of R.O.C., and both parents have no nationality.

Article 2 Foreign people fulfilling any one of the listed circumstances may obtain Republic of China nationality:

1. Wife of R.O.C. national, but not limited to individuals retaining their nationality according to the laws of Republic of China.
2. Father is of R.O.C. nationality and recognizes the relationship with individual.
3. The father cannot be traced or the relationship being recognized, but the mother is of R.O.C. nationality and recognized the relationship.
4. Adopted son/ daughter of a R.O.C. national.
5. A foreign individual who has given up his/her original nationality.
