

教務處環保愛地球公告

Announcement of Office of Academic Affairs: Environment-friendly Measures

為落實節能環保，減紙愛地球，教務處將自111學年度起實施二項新措施如下。

(一)大一新生註冊通知由整份手冊改寄單張簡要版，詳細註冊通知內容請至教務處註冊組網頁查詢。

(二)取消每學期期末郵寄學士班學生學期成績單，110學年度以前入學學生之郵寄服務則持續至大四畢業離校，114學年度起全面取消郵寄。請至Portal入口登入線上查詢成績，如有紙本需求者，請向註冊組繳費申請。

To protect the environment, save energy, and reduce paper use, the following two measures will be implemented in the academic year of 2022.

1. Registration guidelines for freshmen: Only a simplified guideline will be delivered by post to freshmen. Freshmen may check the detailed registration information on the website of the Division of Registrar.

2. Terminating the post-delivery service of end-of-semester transcripts for undergraduate students: Undergraduate students enrolled before the academic year of 2021 will be receiving their end-of-semester transcripts till they graduate; however, the service will be terminated in the academic year of 2025. Students may login to their NCU Portal to check their grades online. If there are requests for hard-copy transcripts, students may use a fee-based service to apply for the paper copy at the Division of Registrar.
