備註：

(1)各身分別應繳交學分費規定詳如本校學分費繳費辦法及本校接受社會人士暨高中生修讀學分辦法。

(2)100 學年度起入學之大學部延修(畢)生，按修習總學分數等比例收取雜費(若僅修習 0 學分課程者，以 1 學分計)；修習雙主修、輔系、教育學程，以及符合教育部學雜費減免規定者除外。

(3)經駐外館處推薦來臺就學之外交部臺灣獎學金受獎學生應繳之學費，得比照本國生收費標準收取學雜費。

(4)研究生學雜費繳交分兩個階段，第一階段為註冊前繳納學雜費基數，第二階段於加退選結束後另行繳交學分費。凡本校在學研究生皆須繳納學雜費基數。

(5)EMBA106 學年度起入學新生學雜費基數維持原收取標準，總學分費則分成四期繳費，前四學期每學期繳交 120,250 元，第五學期起僅需繳納學雜費基數至畢業。

(6)IMBA 學雜(分)費採總額制，前四學期每學期繳交 75,000 元，第五學期起僅需繳納學雜費基數至畢業，學雜費基數(本地生/外籍生)皆為 12,000 元。非本系生(含本地生、外籍生)學分費每學分 7,000 元。

(1) Please refer to "Guidelines Governing Payment of Credit Fees at National Central University" and "Guidelines Governing National Central University's Acceptance of Citizens and Senior High School Students' Studying for Earning Academic Credits" for the regulations of credit fees that should be paid by students from each student classification.

(2) Undergraduate students who have enrolled at NCU since the 100th academic year will have to pay the incidental fees that are proportional to the number of their course credits (if they study for zero course credits, they shall pay the incidental fees proportional to one course credits). Students who take a double major, a minor, or the teacher education program, and those who meet the requirements of the Ministry of Education for reduction of tuition and incidental fees are the exception.

(3) The standards of tuition fees and incidental fees paid by the students awarded the MOFA Taiwan Scholarship and recommended by embassies of Taiwan to study in Taiwan may accord with the standards of those fees paid by Taiwanese students.

(4) There are two stages of tuition payment for graduate students.

The first stage is the Basic Charge of tuition Fee and Incidental Fee, which must be paid before registration.

The second stage is the Credit Fee, which is paid after the add/drop period.

All enrolled graduate students of the University are required to pay the Basic Charge of tuition Fee and Incidental Fee.

(5) Since the 106th academic year, the **basic tuition rate** for new EMBA students stays the same as it was. The **total course credit fee is divided into four payments to be paid in four periods**. In the first four semesters, an EMBA student has to pay the course credit fee of 120,250 NTD per semester. From the fifth semester, an EMBA student has to pay only the basic tuition rate till he or she graduates from NCU.

(6) A total-amount method of payment is applied to the tuition, incidental fees, and course credit fee of the IMBA program. In the first four semesters, an

IMBA student has to pay an amount of 75,000 NTD per semester. From the fifth semester, an IMBA student has to pay only the basic tuition rate till he or she graduates from NCU. The basic tuition rate is 12,000 NTD for both local and international students. The credit fee for students from other departments (including local students and international students) is 7,000 NTD per course credit.
