National Central University Regulations for Subsidizing the Required Core Courses of the General Education Program

109 年 6 月 1 日第 715 行政會議通過

109 年 10 月 14 日 109 學年度第 1 次校務基金管理委員會通過

Approved at the 715th NCU Executive Council Meeting on Jun. 1, 2020

Approved at the 1st NCU Endowment Fund Management Committee Meeting in the Academic Year 2020 on Oct. 14, 2020

一、國立中央大學(以下簡稱本校)為鼓勵各學術單位支援開設通識核心必修課程(以下簡稱核心必修)，特訂定本補助辦法。

Article 1

The National Central University (hereinafter referred to as NCU) Regulations for Subsidizing General Education Core Courses (hereinafter referred to as the Regulations) are established to encourage academic units of NCU to open General Education Core courses (hereinafter referred to as GEC courses).

二、 補助對象及資格

1. 各學院推薦並經總教學中心課程委員會審議通過開設核心必修之授課教師及主聘單位。
2. 適用全校各單位專任(案)教師，惟通識中心主聘或通識中心從聘並佔員額之教師除外。
3. 適用全校各單位，惟通識中心除外。

Article 2

Eligibility for subsidy application

1. The faculty member who opens a GEC course and his/her primary academic/administrative unit may be eligible for application. The GEC course shall be recommended by the college and be reviewed and approved by the Curriculum Committee under the Office of Teaching Centers.
2. Any full-time faculty and project faculty members at academic/administrative units of NCU are eligible to apply. However, faculty members who are jointly appointed by the Center for General

Education of NCU as their primary unit, or as their secondary unit while occupying the staff number, are not eligible for application.

3. These regulations apply to each academic/administrative unit except for the Center for General Education.

三、 補助方式

1. 補助教師之主聘單位，每門課程以一萬元為上限，補助不受修課人數限制，其支用範圍依本辦法第四條之規定。
2. 學期加退選結束後，修課人數大於 100(含)人之課程，補助課程助教，費用以一萬元為上限，並配合高教深耕補助核心必修助教經費一併考量。
3. 專任(案)教師開授核心必修，若當學期修課人數大於 100(含)人者，於學期結束後支給獎勵金，每學分以一萬元為上限。

Article 3

Forms of subsidies and the maximum subsidy amount

1. The primary unit in which a faculty member is based may receive up to a NT\$10,000 subsidy on a per-course basis; the number of course-taken students will not be taken into consideration. The purpose of using subsidies shall be in accordance with Article 4 of the Regulations.
2. After the course adding and dropping period ends, if more than 100 students are taking (100 students included) a GEC course, NCU will subsidize up to NT\$ 10,000 for hiring teaching assistants of the GEC course. However, the subsidy will be calculated with the subsidy funding for GEC course teaching assistants from the Higher Education Sprout Project.
3. If a GEC course instructed by a full-time faculty or project faculty is taken by more than 100 students (100 students included) of the semester, the faculty instructing the GEC course may receive the incentive up to NT\$ 10,000 per credit after the semester ends.

四、 主聘單位補助款使用原則

1. 聘任兼任教師鐘點費或開設核心必修之相關費用為限。
2. 課程助教補助經費撥由通識中心統籌之。

Article 4

Principles on the use of subsidy for the primary unit:

1. The subsidy can be used to cover the hourly pay for inviting adjunct faculty members or for relevant expenditure on opening the GEC courses.
2. Subsidy for teaching assistants of GEC courses will be in charge of and be allocated by the Center for General Education.

五、 經費來源為本校自籌收入及政府其他補助款。

Article 5

The funding source comes from the self-raised fund of NCU and other government-subsidized funds.

六、 本辦法如有未盡事宜，依本校相關規定辦理。

Article 6

Implementation details not specified herein must be subject to other relevant laws and regulations of NCU.

七、 本辦法經行政會議通過，送校務基金管理委員會通過後實施，修正時亦同。

Article 7

The regulations have been approved at the NCU Executive Council Meeting and reviewed and approved by the Endowment Fund Management Committee prior to their implementation. Any future amendments shall follow the same administrative procedures.
